What We Want To Achieve

Our Vision

...to prepare diverse talent for business careers in the music industry.

...help you land jobs in this field and equip you with the skills needed to succeed in these jobs.

...create advocates to represent our community's interests in the music industry.

Our Goals

Program Structure

Executive In Residence

An executive expert will lend their specialized knowledge and experience to students related to the industry.

Curated Learning

Students will participate in unique learning opportunities to include programs, company-visits, and lectures related to the business of music.

Embellishment Activities

Professional development, tours, conferences, and guest-lectures

Tuition Stipend

Students will receive a tuition stipend for the academic year.

Job Placement

Dedicated professionals will assist students in finding jobs in the music business industry.

Networking

Students will be paired with a seasoned mentor in the industry and participate in other networking opportunities.

Industry Certification

Students will gain a specialized skillset related to the business of music and receive a certificate as a result.
