Business Elective

Courses worth three credit hours and offered in the School of Business.

English Writing Requirements

All students complete two semesters (six credit hours) of ENGW courses based on placement.

Foreign Language Requirements

All students (except those with a major in International Business) are required to complete two semester courses of the same modern foreign language.

International Business majors are required to take at least four semester courses and reach fluency in the same modern foreign language. Credit towards reaching the foreign language requirement begins at Level 2. The following languages are recommended for the major's regional sequences:

- Asia – Chinese, Japanese, Korean
- Emerging Nations – Arabic, Chinese, French, Portuguese, Spanish
- Europe – French, German, Russian, Spanish
- Latin America – Portuguese, Spanish
- Middle East & North Africa – Arabic, Farsi, French
- Sub-Saharan Africa – French, Portuguese, Swahili, Wolof

History or Political Science Elective

Courses worth three credit hours and offered by the College of Arts & Sciences with a subject of "HIST" or "POLS."

Major Elective

Courses listed in the "Major Electives" category on each major's program of study.

Non-Business Elective

Courses worth three credit hours and offered outside of the School of Business in any School or College.

Physical Education Electives

Courses offered by the College of Arts & Sciences with a subject of "HHPL."

Science Elective

BIOL-101	General Biology I
CHEM-003	General Chemistry
COMP-001	Life Science
COMP-002	Planetary Science
COMP-003	Physical Science
PHYS-030	Earth & Space Science I
PHYS-001	General Physics I
PHYS-010	General Astronomy I

Unauthorized Electives

Courses required in the Business Core, Major Core and Major Electives cannot count as an elective. No course may fulfill more than one type of major degree requirement and students must reach the minimum required total credits per the program of study. The following courses, in addition to any offered by the Center for Academic Reinforcement, are **not approved electives** and cannot count towards degree requirements:

MATH-005	WR College Algebra I
MATH-006	College Algebra I
